THE 58-59

WARRIOR

PRESENTED BY SENIOR CLASS

JIM NED HIGH SCHOOL
TUSCOLA, TEXAS

DEDICATION

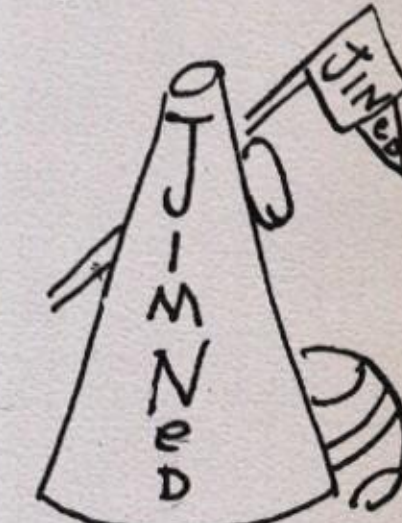

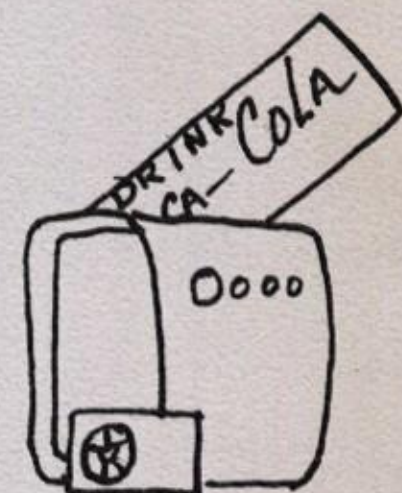

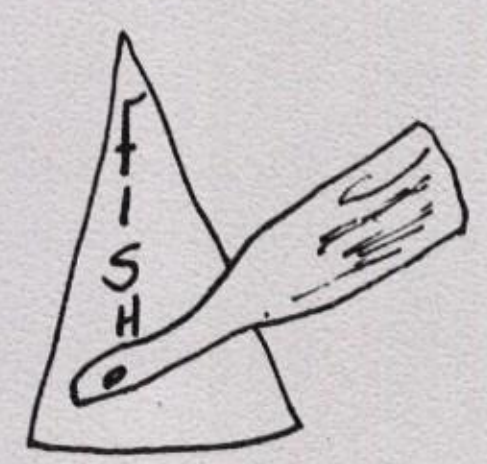

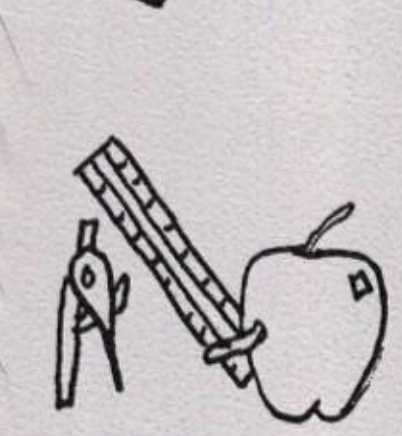

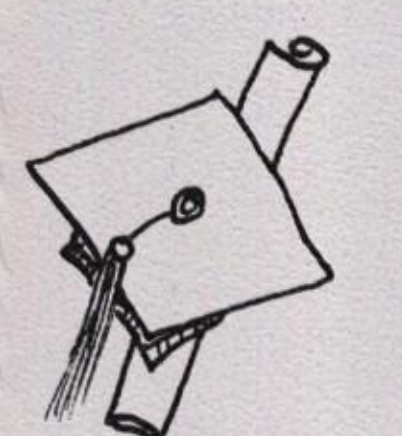

The Annual Staff of Jim Ned High School is sincerely proud to dedicate the 1959 edition of the WARRIOR to the parents of the Senior Class, for their patience and help in making this year a success, and for their loyalty and support during our four years in high school. We want to sincerely thank them for helping us struggle through our school years and for preparing us for the future.

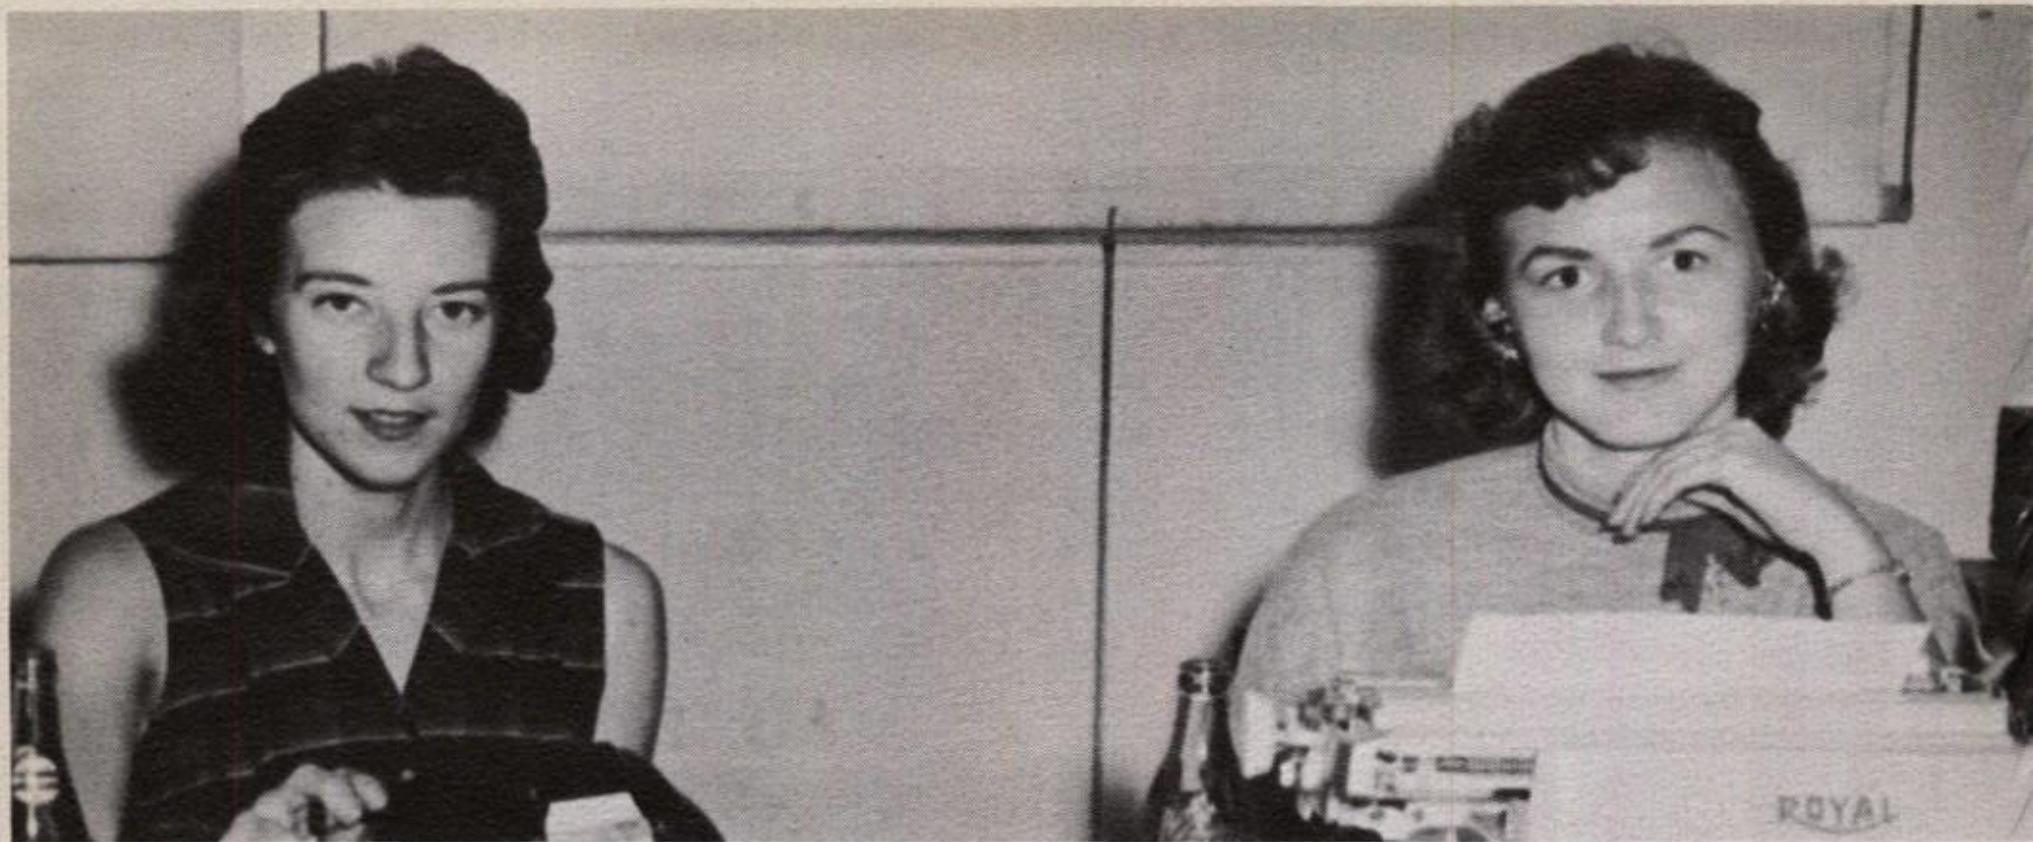

We have looked forward to our senior year with great anticipation. Our parents have made our senior year complete by supporting our many activities.

To you, Our Parents, we dedicate this edition of the WARRIOR of 1959, as a small token of our appreciation of you.

EDITORS' NOTE

As the 1959 WARRIOR nears its completion, we the editors can breathe a sigh of relief. This brings the calm after the storm; no more deadlines to meet, pictures to take, or copy to be written. The ideas we have watched come into being mean more than mere paper and print to us. They tell the story of nine months of our lives.

But this isn't the end. . . . it is the beginning. What we have worked so hard on is now yours. An annual grows in value as the years go by. We sincerely hope that in years to come you will enjoy our story in pictures that we have made for you.

The 1959 WARRIOR is here and we owe our thanks to all of you who have contributed in making it a reality. We of the Senior Class would like to extend special thanks to the following:

Mrs. June Holliday, our adviser, for her patience and encouragement.

The Wade Strothers, for letting us use their home for a background in our pictures.

Mr. Cole, our photographer, for being so kind and patient with us.

Our advertisers, who have made this annual possible.

As editors, we also wish to thank our staff, who have worked so hard. It has been a pleasure to work with them.

We now present to you our annual, the 1959 WARRIOR.

Sincerely,

Fannie Brookreson

SUPERINTENDENT'S MESSAGE

Thank you, annual staff, for recording these events and giving us a pictorial record of persons and happenings within the Jim Ned School system.

Students, may you in later years look back on the portrayals in this yearbook with fond recollection.

Remember that your parents and forefathers have tried to make available to you the best education obtainable under prevailing conditions and you should feel obligated to do the same for your descendants when your opportunity comes.

Sincerely,

Delbert M. Gibbs
Delbert Gibbs

As we come to the close of another school year and we can look back at our achievements, we can see that those things that we were successful in came because we applied ourselves to those jobs. Knowing this, we realize that we will succeed in only those things for which we work. Success does not come by accident.

Best Wishes

Sincerely,

G. T. BLACK

PRINCIPALS

STUDENTS: I am proud of the students of Jim Ned High School. I can see where most of you have developed almost miraculously as you have studied, worked, and played together this year. Everyone who ever had anything to do with youth work acknowledges that there are problems. The young people themselves acknowledge it, but the answer lies, not in continuous fault-finding and belittling their efforts, but in constructive work such as is carried on in our school. I am proud of the way each one of you have conducted yourselves as pupils in the school. I have confidence in your ability, your character, your future. I know that the faculty of this school are just as proud of you.

May success crown all your efforts, and may you continue to progress, as you have progressed this school year.

MOST REPRESENTATIVE BOY AND GIRL

LARRY ALDRIDGE

JUDY HILL

The MOST REPRESENTATIVE of our school should possess initiative, intellect, and integrity, as well as energy, enthusiasm, and empathy.

If he possesses these six qualities, he will be self-reliant, capable, and honest. He will do his part and probably a little more than his part. Furthermore, he will use a happy, enthusiastic manner in meeting situations. Because of his sense of empathy, he will be tolerant with his associates.

Because these two possess these characteristics to a marked degree, they have been selected as the MOST REPRESENTATIVE BOY AND GIRL of 1958-59.

BOYS' TRACK TEAM DISTRICT CHAMPS

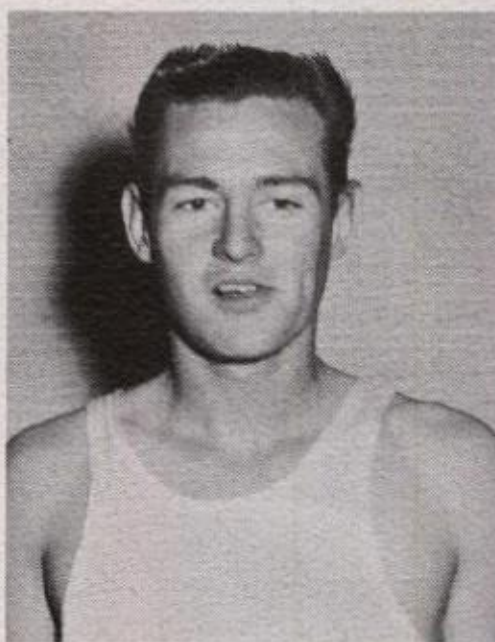

The Jim Ned track team in its first year of being supported a fine record. It entered two invitational track meets; then took the district meet by a landslide. Every boy, except one, qualified for the regional meet, but made no showing as far as placing was concerned.

THANK YOU!

Please accept this hearty handshake and our sincere thanks for letting us serve you.

Too often in the rush of business life, we fail to say "THANKS" loud enough for you to hear it.

But you can be sure we never take your patronage for granted. Our constant aim is to please and satisfy you more each time.

To serve you is a real privilege and we are deeply grateful for your confidence in us.

Sincerely,

Reese. M. Foster
